

**FIGHTING MINDS  
PRIVACY POLICY  
16/11/18**

Fighting Minds know that you care how your information is used and shared. We recognise that your privacy is important and appreciate your trust in allowing us to securely handle and maintain accurate records. This document details the information regarding personal data that Fighting Minds collects, stores and uses.

By visiting [www.fightingminds.uk](http://www.fightingminds.uk) you are accepting and consenting to the practices described in this Privacy Policy Notice.

***Controllers of Personal Information***

All personal information that may be collected by us is controlled entirely by Fighting Minds Limited, a UK limited company, registered office Cotton Court Business Centre, Church Street, Preston PR1 3BY.

***Information and Use of Personal Information about Customers***

Fighting Minds does collect information about customers. We use the information to handle orders, deliver products and services, process payments, communicate with you about orders, products, services and promotional offers, update our records and generally maintain your accounts with us.

***How secure is the Information you keep about me?***

All data is kept on computer systems that are protected by passwords and firewalls. When we transmit your information, we use encrypted channels for your security. Anytime any of your data is passed to us, it is processed through a secure SSL encrypted channel and handled with care.

***Does Fighting Minds share information it receives?***

Fighting Minds does not and will not sell the information we have about you. However, on occasion we may ask your permission to pass on your contact details to one of our partner organisations, who may contact you about future products and services that they offer. We will ask your permission prior to passing on your details. In any case, this transfer of information would never include information such as credit card numbers or bank details etc, which are only kept temporarily to process payment and are destroyed afterwards.

***What about Computer-Viruses?***

Fighting Minds tests all emails and software for viruses.

***What about Spyware or Malware?***

Any software used by Fighting Minds does not include Spyware, Malware or other software that may be considered harmful to your computer or your information.
